LOCAL NEWS.

THIRD WARD RADICALS.—An adjourned meeting of the Radicals of the Third Ward was to have been held last night at the colored school house, corner of Princess and Alfred streets. At nine o'clock, seven persons had assembled, viz: Joseph Colton, Joseph Miller, Jas. T. Burnett, O. C. Whittlesey, and T. J. Edelin, white, and John Scaton and Hannibal King, colored. This number not constituting a quorum, in the opinion of the assembled, no business was proposed, and after a few remarks by Hannibal King, who echoed to a certain degree the sentiments of Col. Hughes, in reference to the lack of interest and organization in the party, only in a different style,-lugubrious and indignant the faithful few dispersed, subject to the call of the President of the club, not however until Richard Miles had delivered himself of a violent phillipic against the course of Joseph Colton, whom he considered as a "robel and spy in the camp."

BOAT RACE.—The boat race at Old Point yesterday, between the Potomac Club, of Washington, and the Undine, of Norfolk, was witnessed by a large crowd of spectators, and resulted in a victory for the former, whose time was 22 minutes 15 seconds. The Undine was 24 minutes 45 seconds. The distance one and a-half miles and return; the steamer Lady of the Lake with the victors and their boat, and a large number of persons who had gone to Norfolk to witness the race, on board, touched her wharf at this city on her way to Washington this morning, and fired a salute with a small cannon as she passed by. The successfull boat had on her flag staff a broom which was the emblem of the old Dutch navy, and meant they swept the seas.

MAYOR'S OFFICE.-Addison Washington, colored, for disorderly conduct, was fined and discharged.

Charles Ward, colored, for general improper behavior, was at the instance of his father, well whipped and discharged.

Margaret and George Lucas, for disorderly conduct, was set to work cleaning out the station house.

NIGHT REPORT.-Night clear and warm. There were no disturbances after ten o'clock. Three prisoners but no lodgers were at the station house. A spring balance was picked up on King street near Henry by the policeman on

KING STREET.—This street has been very much improved within the last few years .-Many of the old frame buildings have been removed, and handsome brick buildings erected in their stead. It is a full mile in length extending from the river to Hooff's Run, and is the principal business street in the city. Much architectural taste has been displayed in several of the buildings, especially those designed for public purposes, and the stores. The street is well paved. We have already noted many of the new buildings, and we hear that further improvements are in contemplation.

BALTIMORE AND THE MANASSAS RAILROAD. A letter from Winchester in the Richmond Whig says : - "Mr. Garrett has at last obtained control of that portion of the Orange and Manassas railroad extending from Strasburg to Harrisonburg, so that in the future the Baltimore and Ohio trains will run through from Harrisonburg to Baltimore, making its connecion with the Manassas train at Strasburg Hogs-The supply is fully equal to the de- which may hereafter be regarded as their western terminus.

R. from the Baltimore and Ohio and Pennsylvania Central railroads-that of the latter probably the most advantageous-one of which will be accepted in a short time, and that the building of the new Market house, upon the plan adopted, will not be delayed many days by the failure to sell the stock yesterday.

> "SAILOR'S RIGHTS."-Two sailors were brought here this morning from Baltimore, by a shipping master, named W. H. Fowler, for the schooner L. C. Evans, but owing to some disagreement the vessel sailed without them, but as they did not want to go back, and as the master would have lost \$25 if they staid here, the latter had to get an order from the Mayor authorizing him to retain their baggage until they called for it in Baltimore.

> * WATCH STOLEN.-Two colored women made complaint at police headquarters, yesterday evening. that a colored man who represented himself as a discharged U.S. soldier, and had engaged board at their house, near the canal basin, yesterday, after lounging about there some time had gone off, and that since he left, a watch had been missing.

CITY COUNCIL.-It is understood that a called meeting of the City Council will be held on Tuesday night next, for the purpose, among other things, of considering the new market house question, and the Mayor's veto of the bill to amend the police bill.

CHILLS AND FEVERS .- Intermittent fever is rife among the unacclimated laborers at work on the line of the Alexandria and Fredericksburg Railroad-indeed so many are suffering from the disease that some of the boses are said to be short handed.

Base Ball. - The Independent club, of Alexandria, visited Washington yesterday, and played the Star. The game was finely contested throughout, but the Stars proved too heavy batsmen for their opponents, and came out victorious by a score of 22 to 14.

Sherwood was foreman, was that the deceasd came to his death by accidental drowning.

THE END OF A CALF.-It was stated in yesterday's Gazette, that a valuable calf had that morning been stolen from Mr. John T. Hill. In searching for his lost property Mr. Hill has discovered what he supposes is the end of it, that is its tail, at the tanner's.

CAMP MEETING.—The camp meeting under the auspices of the M. E. Church, at Fall's Church, commenced this morning. Among the tents on the ground are those of Rev. Mr. Hemenway, and Messrs. Berkley, Harmon and Leatherland of this city.
